EXPLANATORY NOTE

*(This note is not part of the Regulations.)*

These regulations further amend the Social Security (Claims and Payments) Regulations (Northern Ireland) 1977 ("the principal regulations").

Regulation 2 substitutes a new provision for regulation 16(6) of the principal regulations and provides that for persons who become entitled to a retirement pension on or after 28th September 1984 payment is normally to be made on Mondays. It also makes a consequential amendment to regulation 21 of the principal regulations.

Regulation 3 provides that the prescribed period of 3 months for claiming an increase of disablement benefit runs from the date on which the conditions (but not the condition that a current award of disablement benefit is in existence) for the receipt of the increase are satisfied.
