

### CHAPTER c.

An Act to regulate the expenditure on capital account and lending of money by the London County Council during the financial period from the first day of April one thousand nine hundred and thirty-five to the thirtieth day of September one thousand nine hundred and thirty-six and for other purposes. A.D. 1935.

[2nd August 1935.]

**W**HEREAS the borrowing of money by the London County Council (hereinafter referred to as "the Council") for the purposes of expenditure on capital account and of loans to bodies and persons is governed by the London County Council (Finance Consolidation) Act 1912 as amended or extended by subsequent Acts (hereinafter referred to as "the principal Act") and by Acts (in the principal Act and in this Act referred to severally as an "Annual Money Act") to be obtained by the Council for regulating such expenditure and loans during the several periods from the first day of April in any year to the thirtieth day of September in the next following year (which periods are in the principal Act and in this Act referred to severally as a "financial period"):

And whereas such expenditure and loans as aforesaid are in relation to the financial period ending on the thirtieth day of September one thousand nine hundred and thirty-five regulated by the London County Council (Money) Act 1934:

And whereas by section 4 of the principal Act the Council are authorised during any financial period to

A.D. 1935. — expend on capital account for such purposes as may be mentioned in the Annual Money Act relating to that period such sums as they may think fit not exceeding the amounts specified in that Act in relation to those purposes for the financial year and the following six months comprised in that period respectively :

And whereas by section 5 of the principal Act power is conferred on the Treasury in case the amounts so specified as aforesaid in relation to any financial period are in any case found to be insufficient to authorise the Council to expend on capital account during that period such further sums as may be proved to the satisfaction of the Treasury to be necessary not exceeding in the aggregate in the financial year and the following six months respectively comprised in that period such amounts as may be specified for the purpose in the Annual Money Act relating to that period :

And whereas by section 7 of the principal Act the Council are authorised during any financial period to lend to the bodies and persons mentioned in that section and those bodies and persons are authorised to borrow from the Council money to an extent not exceeding in the financial year and the following six months respectively comprised in that period such amounts as may be specified in the Annual Money Act relating to that period :

And whereas it is expedient that the expenditure of the Council on capital account and the lending of money by them during the financial period from the first day of April one thousand nine hundred and thirty-five to the thirtieth day of September one thousand nine hundred and thirty-six (hereinafter referred to as "the financial period 1935-1936") should be regulated as by this Act provided :

And whereas estimates have been prepared by the various committees of the Council of the amounts which may be required for the purposes of expenditure on capital account and of loans during the financial period 1935-1936 in the execution of the powers and duties respectively delegated to those committees and all those estimates have been considered by the finance committee of the Council and submitted by that committee to the Council and the estimates as so submitted have been adopted by the Council :

And whereas the sums estimated to be so required as aforesaid for expenditure on capital account during the financial period 1935-1936 are set out in Part I of the schedule to this Act: A.D. 1935.

And whereas the further sums which the Treasury may authorise the Council to expend on capital account during the financial period 1935-1936 are set out in Part II of the said schedule:

And whereas the sums estimated to be so required as aforesaid for the purpose of loans by the Council during the financial period 1935-1936 are set out in Part III of the said schedule:

And whereas the sums specified in the said Parts I II and III of the schedule to this Act are to the extent set out in Part IV of the said schedule sums which the Council were by virtue of the said London County Council (Money) Act 1934 authorised to expend or lend but have not before the first day of April one thousand nine hundred and thirty-five expended or lent:

And whereas it is expedient that section 14 of the principal Act should be so amended as to enable the Council to invest any money for the time being forming part of the Consolidated Loans Fund of the Council in such securities as are authorised by the Local Government Act 1933 for the investment by local authorities of sums paid to sinking funds under the provisions of that Act:

And whereas the objects of this Act cannot be attained without the authority of Parliament:

May it therefore please Your Majesty that it may be enacted and be it enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

1. This Act may be cited for all purposes as the London County Council (Money) Act 1935 and shall be read and have effect as one with the principal Act. Short title and construction.

2. In and for the purposes of this Act and except where the context otherwise requires— Interpretation.
